Dear Mr. Gallegos,

First-did you receive the maps I sent you on
Horshoe Band?

Also will you please let me know how and who to send
a Certificate of Termination to the County Recorder.

I read in my Husbands notes that I should do that..

I spoke with the Gentleman in Canada a few months
ago and he informed me that he had made a trip to
Salt Lake and had discussed the reclimation of the
property when the weather permitted.

I would appreciate you letting me know when this is
completed. Since I am this far away and actually know
nothing about how to check this. I just want to be sure
all is well!!

I will appreciate your kind help.

Very truly yours,

Mary E. Ashton
